THE BEST AND THE BRIGHTEST: Haliburton Highlands Secondary School paid tribute to its outstanding students Saturday afternoon during the annual Honours and Awards ceremony. Included among the recipients was this group of Ontario Scholars who achieved an 80% average in their OAC year. For a complete list of award recipients, see page 18.

Head for the Hills

How does Minden Hills sound?

Residents of Snowdon, Lutterworth, Anson, Hindon and Minden townships have a new name to get used to. The Transition Board approved the Name Selection Committee's recommendation at last Thursday's meeting.

The amalgamated townships will be known as the Corporation of the Township of Minden Hills, or Minden Hills, for short.

Name Selection Committee Chair Wendy Ladurantaye stressed the need for a name with which area residents and visitors could easily identify.

"The community should understand that their addresses will remain the same," she added.

Ladurantaye explained that the selection process was a difficult one. Many of the submitted names included Minden as one of the words. That was taken into account when the final decision was made. It was a close competition between Minden Hills and Five Rivers.

"I think it's an excellent choice,"

Dianne Graham named Citizen of the Year

by Matthew Sittler

Honoured for her many talents, community spirit and shrewd marketing capabilities, Dianne Graham has been named the Minden Rotary Club's Citizen of the Year.

Presented during last Monday's Rotary Club meeting, held at the Wagon Wheel Restaurant, the surprised Graham accepted the award gratefully. Rotary Past-President Bill Roszell presented a plaque to Graham after citing her past accomplishments and outstanding personal qualities.

"After moving to Minden, Dianne didn't take very long before getting very deeply involved," noted Roszell. "As a member of the County Town Museum Committee, she researched Minden's history well-enough that she was able to develop and present historical walking tours of Minden for several years."

Dianne Graham moved to Minden in 1991. No stranger to the area - she had vacationed with her family at Miner's Bay Lodge in the past. It was at this time that she fell in love with the Haliburton Highlands.

Arriving with husband Gord, Dianne initially continued her work with Via Rail where she was in charge of public relations for eastern Ontario. The job allowed Dianne to work from her riverside home in Minden, but on a regular basis the position required she commute to Toronto and other places before retiring. Graham worked closely with the Travel and Tourism industry, designing brochures, writing press releases, speeches for executives and organizing special events.

After retiring to Minden, Dianne immersed herself

in the community. "She was one of the original organizers of the highly successful Home and Garden Tour," said Roszell. "This year, as the Chair of the Home and Garden Committee, Dianne guided the organization through its sixth successful tour, bringing the total contributions to the local health services capital campaign to over \$25,000."

Dianne has served on the Board of Directors of the Haliburton Highlands Chamber of Commerce, this past year as Director, Secretary and Marketing Representative. "It is not unusual to see Dianne in an unofficial capacity, cleaning up flower boxes, picking up trash and generally showing pride in the appearance of the community," said Roszell.

"She applied for the position of Administrator at the Agnes Jamieson Gallery and, in September 1998, gladly accepted it." Since then, Dianne has taken on the responsibility of the Minden County Town Museum Complex as well.

Roszell quoted Anson, Hindon and Minden Reeve Jeanne Anthon as saying "The visibility of the gallery can now be enhanced and increased through a strong marketing campaign."

Presenting the plaque to Graham, Roszell concluded his remarks with a heartfelt congratulation. "It is with great pleasure Dianne, that I present you with this award."

"I am totally flabbergasted," said the graceful winner. "I am just stunned, thrilled and honored - of course I accept this also on behalf of my husband. He's my right hand, my left hand - my everything."

In closing, Dianne said she would hang her plaque at the Agnes Jamieson Gallery so that the public could see and learn about Rotary. As part of

the Citizen of the Year Award, the Rotary Club will make a \$200 donation to a charity of her choice. Dianne's donation will go to the Haliburton Highlands Health Services Foundation.

Minden's Citizen of the Year, Dianne Graham, is seen here with Rotary Club President John Kerr and the plaque she received.

A basketful of help

Easton's Valu-mart in both Minden and Haliburton has donated \$25,000 to the Haliburton Highlands Health Services Foundation (HHHSF). "We are saying thank you to the community for all their support and business," said Lynda Easton. "It's our way of giving something back." On hand for the presentation were, from the left, HHHSF treasurer Joanne Camelon, Chairman of the Foundation Gord Monk, Valu-mart's Lynda Easton and HHHSF Managing Director Dale Walker.

Best of the Best

Nominations are now being accepted for the 2000 Awards Program

Let's recognize the best of our young people. If you know a young person, aged 6 to 18, who is involved in worthwhile community service; a special person who is contributing while living with a limitation; a youth who has performed an act of heroism; or a 'good kid' who shows a commitment to making life better for others, doing more than is normally expected of someone their age — help us recognize their contribution — nominate them today!

Nominations will be accepted until October 31, 2000. Contact this newspaper or the Ontario Community Newspapers Association at 905-639-8720, Loc. 230.

Nominate a young person from our community today!

Why are these people smiling?

Well, for one thing, they are standing in the midst of more than one million dollars, albeit in a somewhat non-negotiable form. The money, to be used to help ease the costs of restructuring, was presented to the three areas of Haliburton County currently undergoing amalgamation. MPP Chris Hodgson, standing in the middle of the crowd, delivered the support money Friday afternoon. Standing with the big cheques are, from the left, Stanhope Reeve Eleanor Harrison, Sherbourne Reeve Don Shortreed, Cardiff Reeve Bill Howe, Bicroft Reeve Suzanne Partridge, Monmouth Reeve Keith Tallman, Glamorgan Reeve Chuck Viner, Chris Hodgson, Anson, Hindon and Minden Reeve Jeanne Anthon, Lutterworth Reeve Jim McMahon and Snowdon Reeve Ross Rigney.

Provincial Offenses Act court dates cut in half

by Jerry Grozelle

The court building in Minden will see its use for Provincial Offenses Act cases cut in half, Lutterworth Reeve Jim McMahon told County Council at the September meeting.

In his report to county council, McMahon said a province-wide shortage of justices of the peace is being blamed for the cutback.

"Five JPs have resigned or retired in the last few months and three more will soon retire," McMahon said.

He noted that it takes about six months to train a justice of the peace so the problem is not going to be solved in the short term.

"The legal system is a joke, and now it's getting worse," Dysart Reeve Murray Fearrey commented.

Eleanor Harrison, Stanhope Reeve, said the situation must be addressed or "there is no use in having by-laws or enforcement personnel."

Monmouth Reeve Keith Tallman asked what would happen to the backlog, if the courts can't handle the work load. McMahon said he didn't have an answer.

Staff-Sergeant Bob Walli of the Haliburton Highlands OPP Detachment is concerned about the situation as well.

"In the past, we've always had two court days per month for provincial offenses," Walli said. "We are now being scaled back to one court date per month. So, what that means to us is a 50 per cent reduction in available court dates -- for provincial offenses only. In essence, we're still getting the same criminal court coverage. We still get one court date per week for criminal court throughout the whole year, plus one court date every two months for small claims, so it's not affecting our criminal court." Walli said only time will tell what the effect will be.

"It may be six to eight months before we see what the effect will be on provincial offenses court," he said. If provincial offenses court starts to build and becomes overloaded at one day a month, then decisions will have to be made about how to pick up that

slack. If the decision is that we have to start holding some of our trials in Lindsay, then, of course, there's a direct effect on policing. There are costs involved and just as important, if not more so, is the fact that the people from the county who are involved in those cases -- the witnesses, family or whatever -- take for example a Highway Traffic Act accident charge -- you could have three or four people who now have to travel to Lindsay.

"Is that fair to the people of the county? I'm not passing judgement one way or another, I'm just saying that's a possibility. But we won't know that for six to eight months," he said. "It's never been done here, so we'll have to see if the courts can handle our work load with one day a month."

Walli and McMahon had a meeting with officials in Lindsay to plead their case for continuing court

service as it was in Minden.

"Jim McMahon and I went and spoke to the senior justice of the peace and the crown attorney, who is now the manager for the Town of Lindsay for provincial offenses court. We made our case and the justice of the peace said 'I'm sorry, I don't have enough resources, You're being cut to one day a month.' She also told us she was cutting traffic court in Whitby. She's cutting in more than just Haliburton County.

"What will the long term effect be?" Walli said. "Ask me in July next year.

"We don't think one day a month is sufficient, but I guess we really don't know until we try," he said. "I'm in favour of anything that keeps the courts in Haliburton County, because it keeps my people here. And it's good for the citizens of the county as well, to have court in their own area.

Sherborne-Stanhope gets \$262,169

by Matthew Sitrer

Following are briefs from the last Stanhope-Sherborne Transition Board Meeting.

Budget Committee

Bringing two municipalities under one administration is turning out to be a little more costly than expected.

Members of the Transition Board from Sherborne have found that their mileage expenses have been higher than expected. One councillor's trip to Kingston, for a conference dealing with Transition Board allocation funds, was cited as an example.

The total transition expenses are being shared equally among both Sherborne and Stanhope Townships. It has been estimated by the budget committee that the total cost of transition would be \$403,627. The Transition Board's application for provincial funding asked that 75 per cent of this cost be covered by the province. In light of this, Friday's cheque pres-

entation of \$262,169 by MPP Chris Hodgson answered that request. "I know that this funding will assist municipalities as they plan for the future, and begin working as one," said Hodgson. "It will ensure that they have the resources they need for a smooth transition."

The cheque presentation was part of the over \$1.1 million worth of funding from the Province's Municipal Restructuring Fund which was distributed among the other Haliburton County municipalities involved in restructuring.

Airport Committee

In 1998/99, the Haliburton Economic Development plan suggested that the Stanhope Airport and nearby property would be ideal areas for further development. The municipal airport committee then approached Stanhope Council about the possibility of creating a cross-wind runway. At last week's Transition Board meeting, Stanhope Deputy Reeve

Soil quality problems being sorted out

Business Park deal delayed until March

The developer of the Minden Business Park has been granted an extension to close the deal until the end of March 2001.

Anson, Hindon and Minden Public Works Superintendent Clayton Cameron suggests that the coming weather conditions may have some bearing on the request for a five and a half month postponement for the closing of the deal.

"I think they finally realized that winter is going to set in before they got started," he said.

Extensive soil testing has been done at the site.

"The developer has expressed some concern about the stability of the soil there," Cameron said. "But that's all we've heard."

Reeve Jeanne Anthon said she doesn't know the specific details.

"I don't know what the particular problems are," she said. "We're just hoping that they are able to find a solution."

The original offer to purchase has not changed.

Christopher Serrie is a Managing Partner with F.A.I. Canada Development Corporation, the developer of the site.

"I can confirm Clayton's comments that the sale has been extended until next spring and that the soils of the business park are of poor quality," Serrie said.

"The condition of the soils are such that they will not support the intended building using traditional construction methods. The site's unusual characteristics require the use of 90 foot long piles in addition to engineered fill and an engineered floor slab. The cure is extremely expensive, adding hundreds of thousands of dollars to our overall cost for this project."

Serrie said his company is working with the municipality to find a solution.

"Every effort is being made by ourselves and Minden council to find a resolution to the issue," he said. "No other location in town has been deemed to be suitable in case we can't solve this problem."

Name choice not unanimous

(from page one)

said Daryl Moore.

Jim McMahon agreed. "When people ask you where you're from, you don't say Snowdon or Lutterworth -- you say Minden," he pointed out.

Bill Valentine noted that Minden has always been considered the centre of the area with which people identified. He also voiced his approval of the name choice.

Not everyone was in agreement though. Bob Martin said he thought it was "irregular" to in-

clude all the submissions with the name Minden in them in the decision making process.

He said he didn't think the people of Snowdon and Lutterworth would readily accept the new name.

When Board Chair Carol Gillespie called for a vote on the name selection only Martin and Ron Buchanan were opposed.

Ladurantaye admitted that the choice of name is not likely to suit everyone. She said that her own personal choice would have been Highland Gateway.

Updating of airport master plan under consideration

(from page 3)

Murray Daniels said the board should move on this recommendation if it hopes to take advantage of any restructuring funding to assist with the project. Sherborne Councillor Gary Sanderson wondered what County Council's viewpoint was.

Sherborne Reeve, Don Shortreed, responded, "They think it's important. For the economy of the County, it would be a real asset," he said. "It would be able to handle larger aircraft."

Daniels explained that the Transition Board would be responsible for updating the master plan. Sanderson responded, "The County must get involved, but if we don't already have the land, how can we go ahead with a master plan?" Stanhope Reeve Eleanor Harrison helped clarify the matter, "One piece of land is for sale. But we need to know where the runway is going, before we purchase anything."

A cross-wind runway would require at least 4,000 feet. The current runway takes up 2,500-2,600 feet. "We've been dealing with one person regarding severances and have been holding off on it," continued Harrison, "because we don't want to buy something before we know where the alignment of the (cross-wind) runway is going to fall."

The Transition Board Airport Committee was asked to collect proposals from several companies in order to update the master plan. The committee is authorized to accept a proposal should it fall within the amount that is budgeted, \$28,500, otherwise the issue will come back for further Transition Board scrutiny. The master plan was last updated in 1984.

New Township Logo?

The Transition Board has chosen to develop a logo for the new municipality. Advertising in the local newspapers will ask for submissions of logo. The design will be used on signs, township vehicles, letterhead etc. The closing date for submissions will be December 1, 2000.

CANADIAN SONGFEST: The Haliburton Messiah Choir is rehearsing for its next concert entitled, *A Song for Canada*. The concert will bring together the local group, under the direction of Melissa Stephens, and the members of the Achill Choral Society, under the direction of Dale Wood, in two performances October 21 and 22 at the Northern Lights Performing Arts Pavilion at the high school in Haliburton. The Achill choir is from Hockley, near Orangeville. The all-Canadian theme will feature each choir and then the combined 130 voices. Tickets, at \$12, are available at Nancy's Flowers in Haliburton and The Cornerstore and Minden IDA in Minden.

Suggested remuneration rates leave councillors speechless: for a moment

Silence.

That is what greeted a recommendation of compensation rates for elected official in the newly named municipality of Minden Hills. The committee recommended that the reeve receive \$9,000, the deputy-reeve \$8,000 and members of council \$7,500 each at Thursday's Transition Board meeting. The suggestions for the annual honorariums came from the Transition Board's General Government committee.

Daryl Moore broke the silence. And when he did, it opened a floodgate of comparable opinion. Moore argued that the remuneration was too low and would result in the elimination of many people who might otherwise run for office.

"Sinc Nesbitt used to always say, we need to get younger people involved in politics," Moore pointed out. "\$7,500 is less than we were paid as councillors six years ago. It's all right for the staff to get a raise, but we are a select few who take public abuse. I have a hard time swallowing that. We will never be able to attract younger people by dropping council's wages. You'll never get a business person to take a cut in

pay to serve on council."

Moore added that cutting the wages of council members will almost guarantee that the only people in a position to run for public office will be someone who is retired and not dependent on a full time job to earn a living.

"I'm in total agreement," said Bill Obee, adding that it is ludicrous to go backwards on the pay scale.

"It (remuneration) should be at least at the maximum of what it is now," he said. (The current maximum for reeve in the three municipalities is \$12,000 per year.)

"\$9,000 a year for reeve is an insult," said Jim McMahon. "We're the laughing stock of the province. You're never going to get good people with that kind of stipend."

Wendy Ladurantaye told the board there was considerable discussion among the members of the General Government Committee regarding compensation for council members. She added that the figures submitted were a compromise at best.

"I totally respect your opinions," she said.

Hard work pays off

It is a long way from Junior Kindergarten to OAC and along the road, there are many bumps and detours. However, for the students who have the perseverance, discipline and work ethic, the rewards can be theirs.

Once again those rewards were evident Saturday afternoon as outstanding students from HHSS were honoured for their success in educational endeavours. The HHSS Honours and Awards Ceremony is always a special moment in the life of the students. For all students, their parents and teachers, it serves as tangible recognition that the many hours of hard work had their reward. For those

who have graduated and advanced to post secondary education or work, it is likely their last 'official' visit to their high school, a time for renewing old friendships.

The ceremony is also a recognition of the community's belief in the value of academic achievement and its faith in the future, as represented by youth. Hundreds of awards representing over \$30,000 in monetary value provide a fitting tribute for the years of hard work and study.

So hats off to the community for its ongoing support of our youth. But more importantly, congratulations to

the young people for what they have achieved.

And, while we are handing out bouquets: bravo to the Rotary Club of Minden for choosing Dianne Graham as Minden's Citizen of the Year. Dianne has demonstrated through her hard work, personal concern and willingness to volunteer, that she really does care about her community. Congratulations Dianne!

Of jewels and gulls and roasts

Editor:

This is a letter of recognition to a member of the community who I feel has made a great impact on Minden and surrounding area.

Lynda Easton is a great business woman and operates her own business single handedly, and has donated space to the Minden and Area Food Bank and the Clothing Depot for a whopping six years.

She also donates to any charity or community event that asks for a donation. She is a member of the Minden Business Association, and she also generates jobs for the local people. She is the most under-appreciated person in the community. Just imagine how Minden would suffer without her. It's time Minden and area recognize what a jewel they have.

Rodney Rowell,
Peterborough.

Editor:

This past summer while raking my beach, I came upon a gull that seemed in distress. It would try to fly away when I approached but could not get airborne.

I immediately phoned to see if there was a place in Minden that helped wounded birds. I was told of a place called "On a wing and a prayer" and they advised me to take the gull to Dr. Bennett in Minden. They explained that all vets would not help, but he always took in any creature that was hurt and suffering.

Dr. Bennett is definitely the one that answers the prayers for he did what he could do to ease the gull's suffering. It turned out to be Botulism from eating garbage.

Sad to say, the bird died. We at the lake all know what an excellent vet he is, for we have all taken our pets to him over many years. We salute you Dr. Bennett and "thank-you!!"

Mrs. Miriam Christie,
Gull Lake.

Editor:

I read with considerable interest about the "roasting" of Bill Valentine at the candidates meeting, which was published in the October 2 issue of *The Times*.

The council chamber in Lutterworth has often been the scene of a stormy session. Quite a number of years ago, I had the pleasure of sitting with Bill and others on a term of office as a councillor. I recall someone coming in to a meeting, I believe from the East Moore Lake area. He was ranting and raving about some township problem. I listened for a while, but I soon came to the conclusion that the gentleman was a few sticks short of a cord, so I gave it no further thought.

I believe in the 1883 list of voters for Lutterworth, both the Valentine and Hulbig families are listed as voters, well over a hundred years ago. It would be a privilege for Freda and I to cast a vote for Bill Valentine in the coming municipal election. He has had many years of Township experience. It would be a shame to see it all go down the drain.

Best of luck, Bill!

John and Freda Hulbig,
Lutterworth, Township

A great day for health care

Editor:

It was a tremendous honour and privilege to take part in last week's opening ceremonies at the Minden and Haliburton sites of the Haliburton Highlands Health Services. For those who were unable to attend, I wish to take the opportunity to thank you, the people of our area, for your tremendous ongoing support of these health care projects.

Thank you to Executive Director, Foster Loucks and all the staff of the HHHS for their patience and dedication. I know the three years of construction has made for a challenging work environment, but you have managed to maintain the high level of care our residents and patients have become accustomed to. I would also like to thank Haliburton County Council for their management of Hyland Crest since it opened over thirty years ago.

I would like to acknowledge HHHS Board Chair, David Coulson and past chairs Stuart Baker, Paul Heffer and Hugh Nichol, along with present and past HHHS Board and committee members. These volunteers have given tirelessly of their time and efforts to make this dream a reality. They are the true heroes who have brought modern health care to our community. For years to come, we can look forward to state of the art health care where we need it,

and when we need it.

Thank you to the HHHS Foundation Chair Gord Monk and Capital Campaign Chair, Don Popple and their board and committees. Along with Foundation Executive Director, Dale Walker, these individuals have spearheaded the fund-raising drive that is necessary to pay for the community's share of the costs associated with these beautiful facilities. A special thank you must go to the individuals, families, businesses, corporations, associations, service clubs, ladies auxiliaries, local governments and others who have donated and raised almost \$4 million dollars to date. Without you, these projects could not have proceeded.

On a personal note, I wish to pay special tribute to Past HHHS Chair, Hugh Nichol. I'm not sure these projects would have been possible without his unbelievable volunteer commitment to the development and implementation of our community's health care dreams. Hugh was able to push the process through their most crucial stages. He travelled to Queen's Park to plead the community's case to then Health Minister, Dave Johnson. He was instrumental in keeping the board focused on the goal and unwavering in obtaining final ministry approval to proceed with the projects.

Thanks Hugh, for a job well done.

In closing, I wish to again thank each and every one of you for your support of our new health care facilities. It has truly been a community effort. An effort we can all be proud of.

Chris Hodgson, MPP

The artist with a lot of pluck

The Bonfire of the Vanities, a novel by Tom Wolfe, is the story of one man's downfall through incredibly bad luck.

In 690-odd pages, Sherman McCoy goes from being a Wall Street-cruising, Park Avenue dwelling multi-millionaire stockbroker to a disgraced and vilified pauper, facing an endless procession of legal battles.

Near the end of the novel, a reporter stops him as he's going into a courtroom for yet another round and asks him if he has any advice for the public. McCoy looks at the reporter through red-rimmed eyes and says "Yeah. Never, ever fall afoul of the American justice system."

I'm sure Peg Bargon would second that emotion. Ms. Bargon is - or rather was - a quiet, unassuming housewife living in the suburbs of Monticello, Illinois when Life decided to throw her a knuckleball. It started innocently enough, with a phone call from a local PR person for the Democratic Party. Hillary Clinton was coming through Illinois on a speaking tour and they wanted to present the First Lady with a little memento. Which is where Peg Bargon came in.

Peg makes handicrafts as a hobby - paperweights, shell necklaces, that sort of thing - would she have anything in her studio that would be appropriate?

Peg had just the thing - a handcrafted dreamcatcher - a small hoop decorated with feathers, beads and pebbles, which, according to native legend, can ward off evil spirits.

The PR person was delighted; Peg was paid; the dreamcatcher was given to a visibly pleased Hillary Clinton. A happy ending to a minor story. Right up until Peg Bargon looked up from her living room couch a week later to see federal agents coming through the front door, waving search warrants in one hand and pistols in the other. They ransacked her house. They turned her craft studio upside down. They booked her, fingerprinted her, grilled her for hours and even hooked her up to a lie detector. Her crime?

Feather-napping.

The feather in the dreamcatcher that had been given to the First Lady came from a Golden Eagle. Commercial use of such a feather is a direct violation of US Migratory Bird law and a felony offense. Sterling detective work - except for the fact that Peg's five-year-old son had picked the feather up off the ground during a visit to the zoo. Not that the Fed's believed that. They were convinced they were uncovering a large-scale bird-poaching operation.

Well, okay. Mistakes happen and lines of communication get tangled.

But how long could it take a savvy bunch of professional law officers to realize that a small-town housefrau who does folk art on the side is not, in fact, a member of some international underground smuggling cartel?

In Peg Bargon's case, five years. And counting. The Feds have not apologized or withdrawn the charges. In fact, by threatening to lay felony charges and put her in jail they've managed to pressure Peg Bargon into pleading guilty.

So far it's cost her nearly \$15,000 in legal fees and there's no end in sight. Well, maybe there is. On the advice of her lawyer, Peg Bargon is going after the Oval Office.

She wants Bill Clinton to grant her a presidential pardon. It would add a kind of ironic symmetry to the case - since it was a gift to the President's wife that initiated the nightmare. Of course presidential pardons don't grow on trees. There's a lot of paperwork involved. Peg has to fill out some 300 pages of forms in triplicate, not to mention statements, affidavits - about 300 pages worth in all. And oh yes - she'll need to submit to a background check by the FBI.

I'll bet Peg wishes she'd kept that dreamcatcher. She needs protection from evil spirits 'way more than Hillary does.

Remuneration and mileage

(from page 5)

Other topics of discussion were the fee for PAC meetings and payment for mileage.

Moore said that if the remuneration is reasonable,

Funding given for Village Green

Local MPP Chris Hodgson gave the Village Green 2000 project a boost last Friday.

He announced that the province will provide \$3,800 in millennium funding under the Main Street Ontario Program. "I look forward to seeing the changes to the Village Green and I am glad that the province could play a role in this important local project," said Hodgson.

The green, situated on Main Street in the hub of the business district of the Village of Minden, is often used for community activities, displays and celebrations. Council's intent is to enhance the area by removing approximately 6 inches of cover and replacing it with topsoil and sod. This landscaping will be designed to encourage additional use if the property and promote activities in the heart of town.

"Our community's participation in the Main Street Ontario program helps to highlight the importance of Ontario's most important resources - our people and our communities," Hodgson added.

Dog leads cops to marijuana plants

A four-footed friend has unwittingly helped the police uncover a marijuana patch in Snowdon Township.

An off duty officer was jogging on the rail trail near County Road One in Snowdon Township, when he noticed a male and female driving a vehicle on the same trail. The vehicle stopped for a time then left.

When the officer approached the location where the vehicle had stopped, a dog emerged from the bushes. The canine then disappeared down a path, and the officer followed. At the end of the path the officer found 95 marijuana plants. Some had already been cut and others were still standing. The street value of the plants was estimated at \$95,000.

The two individuals returned and were arrested and charged. Laura Jordan, age 39 years of Burnt River and Thomas Burns, age 56 years of Lutterworth Township were both charged with production of a substance, contrary to the Controlled Substances Act. They will appear in Minden Court on December 6. The investigation occurred September 28.

mileage shouldn't be necessary. Dwaine Wruth disagreed. He said that some people will have to travel as much as 30 kilometres to attend meetings, which amounts to an out-of-pocket expense, while others live within walking distance of the council chambers.

Bill Obee said he agrees with payment for mileage. "Thirty cents per kilometre isn't out of whack," he said.

The current payment of \$35 for attendance at Planning Advisory Committee meetings was also challenged. It was felt that \$35 would barely cover the cost of babysitting in most cases.

Board chair Carol Gillespie asked for a show of hands in favour of revisiting the payment issue and only Lutterworth councillor Lisa Mercer was opposed. The majority favoured payment for mileage, however since four people raised their hands in opposition, the required 75 per cent majority could not be met to reconsider the mileage issue.

The committee will reconsider the question of remuneration and return to the next Transition Board meeting with revised recommendations.

New county CAO appointed

Gary King has been appointed as the County's Chief Administrative Officer and Clerk effective December 4.

Mr. King is currently the Chief Administrative Officer at the Town of Gravenhurst, a position he has held for the past two years. He has 18 years experience in the municipal government field in progressively more responsible positions with the County of Peterborough, the County of Grey, the Township of Thurlow, the City of Belleville and the Town of Gravenhurst.

He holds a Bachelor of Environmental Studies Degree from the University of Waterloo with Honours in Urban and Regional Planning. Mr. King's original vocation was as planner and he continues to hold memberships in the Ontario Professional Planners Institute and the Canadian Institute of Planners.

In addition to his planning and administration experience, Mr. King also has had responsibility for labour relations, economic development and the municipal clerk's functions during his local government career.

Mr. King is married with three children and enjoys camping, fishing, hunting and other outdoor activities. Warden Jeanne Anthon said, "County Council looks forward to a long and rewarding relationship with Mr. King as their senior appointed officer."

Junior Red Hawks edged 7-6 in season opener

Friday's season opener for the Haliburton Highlands Secondary School Junior Red Hawks football team was a heart-breaker. A touchdown called back and some major gains called back on penalties made the difference between a win and a loss.

When it was over, the Crestwood Mustangs edged the Red Hawks by a single point, 7-6.

In spite of the loss, coach Bruce Griffith said he felt good about the game and he gives the boys an A for effort.

"We did outplay them," he said. "I feel confident we'll beat them the next time."

Red Hawks slot back Dylan Powers ran in the touchdown and running back Kevin Powers had one called back late in the first half. Griffith said quarterback Ryan Hutson also had a good game, with three completions.

"Our defense was really strong," Griffith said. He said the entire defense played well, but he singled out Joel Johnson and Justin Walker as the game's standouts, defensively.

"We had some mistakes," Griffith admitted, "But that'll get better. We should have beat them, we had more yards gained. We just had more penalties. I think we'll take them next time."

The Junior Redmen will play host to the Kenner Rams this Wednesday. The opening kick-off is slated for 3:30 p.m.

AERIAL ATTACK: The Junior Red Hawks played well when they hosted the Crestwood Mustangs Friday, but penalties cost the home team a victory. One touchdown was called back on a penalty flag and some good gains were negated because of penalties as well. Coach Bruce Griffith said he's confident the Red Hawks will beat the Mustangs the next time they meet. Hal High plays host to the Kenner Rams this Wednesday at 3:30 p.m.

Ridgewood Wolves team raises \$2,800 to help fight breast cancer

A team from Ridgewood Elementary School in Cobocok raised \$2800 in the Run for the Cure held earlier this month in Peterborough.

The Ridgewood Wolves Team was organized by Sharon Chambers, a breast cancer survivor and Senior Kindergarten teacher at Ridgewood Public School.

The team also took part in the *NIKE* School Challenge with a \$1,500 gift certificate prize from Nike going to the school in the Peterborough Run area that raised the most funds. The Run took place in Peterborough on Sunday, October 1.

The Community response was fantastic with over \$2,800 being raised in a matter of about three weeks. The Lakefield Elementary raised \$200 more than the Ridgewood runners and won the School Challenge. However in reality everyone is a winner.

The Run for the Cure takes place across Canada, raising millions of dollars for breast cancer research and education.

The Peterborough Run had approximately 900 participants and raised over \$107,000.

October is Breast cancer Awareness month.

High School Senior football

Red Hawks down Rams 31-7

Rebounding from a loss to the Crestwood Mustangs a week earlier, the Haliburton Highlands Secondary School Red Hawks Senior football team came out on top when they tangled with the Kenner Rams in Peterborough Thursday. The Red Hawks earned a 31-7 victory over the Rams.

"They (the Rams) opened the scoring, making it 7-0, but after that, we just kept getting better and better," said coach Gary Brohman.

Touchdowns were scored by Mike Morissette, Cody Duda and two by Brian Mulholland. Adam Clarkson, Morissette and Duda each had a two-point conversion and a single punt kick into the

end zone by Ryan White added one point to the score.

"We dominated the game in rushing," Brohman said. "Morissette, Duda and Ian Duncombe carried the load."

"Defensively, we came up strong with good efforts from Brent Bolger, Adam Clarkson and Josh Belcher."

The Senior Red Hawks will play host to the I.E. Weldon Wildcats this Thursday at 4 p.m.

The OPP investigated a break and enter on September 29 at a cottage located on South Lake Road in Snowdon Township. The incident had occurred sometime between September 24 and 29. It is believed that suspects entered through the bedroom window. Stolen from the location were three bikes, a quantity of wine and a flashlight.

A break and enter was investigated by the OPP September 30 at a cottage on Concession #8 in Lutterworth Township Black Lake. A lock was removed from a shed and various items were taken. Stolen from the location were a string head trimmer, a blade head, tools and guarantee for a Stihl model FS85 Weed Eater, orange in colour, a fishing rod and reel and a tackle box.

A break-in occurred at a cottage, also on Concession #8 in Lutterworth Township. The investigation revealed that a shed lock had been broken off. Stolen from the shed were various hand tools, black plastic toolbox with ratchet and sockets, two red toolboxes, screwdriver and wrenches, and hand tools for electrical work. The time line may indicate that this incident and the above mentioned break and enter may be related.

An attempted break and enter was reported on September 30 at Northern Lights Camp located on Clear Lake Road in Dysart Township. Owners heard a noise at approximately 12 a.m. They opened the door and found a group of youths on their porch. The startled youths fled and owners were unable to get a clear description or number of the individuals.

A break-in on October 2 at a cottage on Highway #503 in Gooderham was investigated by the OPP. A building on a construction site had been broken into. Stolen from the location were a Homelite generator 5500 watts, and a Stihl chainsaw.

Business Profile

Your full service Insurance Brokers

They are doing things differently at Hudson Henderson Insurance Brokers Limited. The Minden office of Hudson Henderson provides all the services residents of urban areas expect, but with the friendliness and concern for which small communities are famous.

"We are a full service agency," owner Darryl Hudson said. "We have staff who can help you with all your insurance, investment and retirement needs." In addition to himself, there are four licensed insurance brokers available to assist you at Hudson Henderson.

"Through this office we can provide everything an individual or couple would need to protect their financial future," Darryl said. The services include home/cottage and auto insurance, commercial insurance, life insurance, travel insurance, tax planning including income tax form completion, and advice on money management and brokerage services. Licensed professionals can assist you in any of these areas. Hudson Henderson represents some of the best known insurance companies in Canada including Hamilton Township Farmers Mutual, ING Halifax, Gore Mutual, York Fire and Casualty, The Economical Insurance Group and Kingsway General Insurance.

Right now, many people are making plans to head south for the winter months. "They certainly shouldn't leave without adequate insurance coverage," Darryl said. "We have travel insurance products which are exclusive to our office." He noted that the rates are competitive and the terms available, match the schedules of today's active travellers.

Travel insurance is just one of the many services offered at Hudson Henderson, but whatever insurance or investment service you are seeking, you can be assured that the it will be personally tailored to your needs. And, when you entrust Hudson Henderson with all your insurance and investment needs, the experienced staff can help find even greater savings.

So, if you are considering a change to your current insurance and investment holdings or are simply looking for advice, it would be to your advantage to visit the Hudson Henderson office. The office is in a new location, the Coldwell Banker Building, across from Minden Home Hardware. Drop in to discuss

Future of Dorset school under review again

by Matthew Sitrer

Dorset Elementary school has joined the list of facilities within the system which may be closed.

At a packed public meeting held in the Dorset Community Centre Wednesday evening, the audience was told that emotional arguments about the pros and cons of such a closure were to be saved for another venue. Area 2 Superintendant Dale Robinson made sure everyone in attendance understood Board Policy. By way of explanation, he went through a Trillium Lakelands school closure policy. A copy was available for members of the audience to review.

The booklet contained the criteria to be considered by the Board while identifying a school that is a potential candidate for closure. The list includes:

- enrolment decline and/or projected enrolment decline below Ministry-rated capacity,
- difficulty in providing a full program,
- limited facilities for specialized activities,
- a number of under-utilized instructional areas,
- comparatively high costs of maintenance and staffing,
- a significant number of blended/multi-grade classes that are required,
- concerns for student safety which are related to the facility and
- the possibility for alternate, appropriate, accessible, financially viable accommodation.

Once a school has been identified as a candidate for closure, a School Re-

view Committee will be created to conduct a study into the advisability and feasibility of closing it. The Review Committee will include: two parent representatives from the school, selected in consultation with the school council; one additional community member (or a third parent); the Principal from the school; a teacher from the school; two trustees; the area Superintendent for the school and; designated facility service staff from the Board (transportation finance, etc.) as resource individuals.

"Last June, the Board identified the schools which are candidates for closure," Robinson told the meeting. "The Dorset, Oakley (Vankoughnet) and Gooderham Schools were all identified." He stated that the Ministry rated capacity for the Dorset School is 100 students. "At the present time, there are 26 full-time students," he said. "It is well-below the Ministry rated capacity."

His suggestions that the Dorset School had no gym or lab were questioned by one woman in the audience who stated that the facility the meeting was being held in was in fact a gymnasium, and while not attached physically to the school, is made available to the students.

Robinson said that information pertaining to deadlines and Review Committee meetings would be sent home with students and advertised in the papers.

"Just because Dorset Elementary has been identified as a candidate for closure," he continued, "Doesn't automat-

Committee will study school's future

(from page 16)

cally mean it's going to close. That's the committee's decision - it's a process which will take several months. Plenty of time will be given for people to have their input heard," he said. "It is not going to be a quick process."

Robinson said he wanted the parents to feel they understood the process. "When we meet again, we would like to have the Review Committee in place." Individuals interested in being committee members should forward applications to Dorset Elementary School Principal, Kevin Cutler.

A member of the audience asked which of the review criteria would carry the most weight in the Review Committee's decision. "No particular criteria will be weighted, it will be a mixture of all of them," said Robinson. Minutes from the Review Committee meetings are to be made public.

"As we meet, we will pull people in for presentations on finances or whatever, to give us specialized advice on costs etc.," said Robinson. "Everybody is welcome to attend." If people ask ahead of time, they will be able to speak and have their concerns heard by the Review Committee. "We will make sure everyone is treated equally and has a chance to speak," said the Superintendent. "We will hear points of view, suggestions and ideas in that public forum."

Robinson will Chair the Review Committee, and said information pertaining to times, and locations would be made available through local newspapers. "I can remember a time we had this school (Dorset Elementary) up for

review before in 1986," he continued. "And we mis-guessed information about enrolments and we were wrong." There are always a number of factors that play into this, he said. "It will be the job of this committee to estimate over the next four or five years what we can expect regarding enrolment."

A lengthy question period ensued. One person asked if the review for closure would become an annual event should the school remain open this time. "It won't come up within a year," responded Robinson.

Trillium Lakelands Director Evelyn Brown said the Board was dealing with "tough stuff" and said, "We are in changing times. There's no doubt about it," she said.

The Board will react to the Review Committee's recommendations. Answers to questions of whether the school could be kept open for other uses, such as day care, were not available. Lori Parniak asked what would happen to the building should it cease to be a school. "It would probably be dealt with by the Ontario Realty Corp.," answered Robinson.

One member of the audience stated that should the Dorset school close, it would destroy the community.

School Trustee Cheryl Murdoch said her main concern is the quality of education. "Are the children getting an adequate education?" she asked rhetorically. "I would look at all the aspects," she said. "But it is also a heart-thing" she conceded.

The audience was encouraged to submit their concerns and interests within two weeks. A school meeting is planned for October 23.

Trillium Lakelands School Board superintendent Dale Robinson.

By the time you will be reading this report Thanksgiving will be over and most of the leaves will be gone. There was a good show of colours but it was late in coming. September was another changeable month, much cooler than last September. The average temperature was 2.1 c (almost 4 F) cooler than last year. There were twice as many frosty mornings this September, (7 vs 3). Rainfall was less this September. Most rain occurred September 10 to 15, with heavy rain September 10 and 11. Hope for a pleasant fall.

Razzamataz announces season line-up

--submitted--

Razzamataz - Kids Shows! is gearing up for another exciting entertainment season. This year's line-up includes four uniquely imaginative presentations sure to delight young and old alike.

Travel to the wonderful Land of Oz, as Erehwon Theatre returns with it's all new production of "The Wizard of Oz". Eight little stars will be chosen to attend a forty minute pre-show rehearsal that will prepare them for the roles of Dorothy, the Scarecrow, the Tin Man, the Cowardly Lion or one of several Munchkins. This fantastical and innovative new work will be presented on Sunday, December 3, 2 p.m. at the Northern Lights Performing Arts Pavilion.

Next, see the Stylamanders, that zany, high energy musical duo who combine great original music, audience participation, championship yo-yo tricks, wacky choreography and pure fun in "Ants In Yer Pants", a show that the whole family will enjoy! They will be appearing on Sunday, January 14, 2 p.m. at the Northern Lights Performing Arts Pavilion.

Do you believe in trolls? "Troll Magic", which will be presented on Sunday, February 18, 2 p.m. at Wigamog Inn by "Join Hands Puppeteers", may change your mind! The terrible mountain troll has stolen the magic stone from the lake. Now the lake is drying up and the forest animals are in trouble. Who can bring back the stone from the mountain troll and save the forest? This enchanting tale of hope and courage features large colorful puppets, beautiful sets, live music and audience participation.

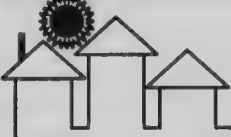

The season concludes with the performance of "If A Tree Falls" by Mortal Coil Performance Society. It is a sensuous feast of dance, humorous theater, stilts, voice, percussion, spectacular sets and costumes. This production comes to us from Vancouver and is an enthralling tale of the wild and wonderful rain forest. Mortal Coil Performance Society will be appearing Saturday, March

24, 2 p.m. at YMCA Camp Wanakita.

Razzamataz - Kids Shows! is a non-profit, volunteer run organization dedicated to bringing high quality live children's entertainment to Haliburton County. The presentation of these outstanding performances has been made possible by the Ontario Arts Council, and by these generous local sponsors: CIBC Haliburton, Curry Motors, Grafton Utility Supplies, The Haliburton Rotary Club, The Minden Times, Rexall Drug Store - Haliburton, West Side Jug City, The Wigamog Inn and The YMCA Camp Wanakita.

Buying your seats as the whole season at \$18 per person saves you almost \$4.- per show or \$16 for the season for each pass. These limited season's passes are only available until December 3. After that date, admission is \$8 for adults, \$5 for children at the door for each show. Don't miss this opportunity of bringing your children to a very special "real" theater experience in our own Northern Lights Performing Arts Pavilion. Your support helps to ensure the future of live theater for our County's children. We strive to keep ticket prices affordable to ensure everyone has the opportunity to attend.

Tickets may be purchased at Master's Book Store in Haliburton or by calling Julie at 457-3414 or Karen at 457-1311.

WALKER - FORREST WEDDING

The United Church in Minden was the scene for the wedding of Carol Margaret Forrest, daughter of Margaret Swanton and the late William Forrest of Irondale, and James Adam Walker, son of Irma and the late Goldie Walker of Minden, on Saturday, September 9, 2000.

The ceremony was performed with Reverend James Allsop officiating. The organist was Nancy Picard of Haliburton, the soloist Pamela Bryant also of Haliburton, sang "Ode to Joy" and "The Wedding Song". Pamela also gave a rousing rendition of "A Trumpet Tune and Air" for the recessional, and their performance filled the church with joyful sound.

The bride was lovely in an Ivory satin floor length gown with scalloped sleeves and long scalloped train, trimmed with roses, lace medallions and pearls, with matching shoes. Her veil was double-tiered, three-quarter length trimmed with Ivory satin and drop pearls, and her headpiece was Ivory roses and spray pearls. She carried a fall of Ivory roses, baby's breath and Ivy.

The bride was given to marriage by her mother and step-father, Jack Poyner.

The bride's attendants were: Matron of honour - Tanya Madill, the brides maids were Teresa Short and Lisa Hancock. They were resplendent in two-piece gowns of Ivory satin tops and long satin skirts of navy and burgundy, and carried matching bouquets of lilies and roses. The flower girl was Jani Poyner, who was pretty in a long gown of Ivory and navy satin with a burgundy sash, and carried a lace-edged nosegay of Ivory and burgundy rosebuds.

The groom and his attendants were handsome in black tuxedos with navy and burgundy vests. The best man was Darren Sawyer and the groomsmen were Robert Titus and Stephen Stevens. The ring bearer, also in a black tuxedo, was Jacob Sawyer, who performed with masterful dignity far beyond his three years.

The ushers were all nephews and included Ryan Hancock, Wayne Kernohan and Ashley Walker.

The mother of the bride wore an Ivory two-piece suit of silk and brocade, and the mother of the groom wore a coat dress of seafoam green. Their matching corsages were Ivory roses and heather.

The reception and dance was held at the Minden Community Centre with a large crowd attending. Guests came from Lindsay, Sudbury, Bobcaygeon, Fenelon Falls, Orillia, Gooderham, Toronto, Oshawa, Belleville and Irondale.

Congratulations go out to the happy couple who are residing in Minden.

Busy time as residents welcome guests during open house

Hi there! Haven't we had some gorgeous weather lately? Crisp days with brilliant sunshine, clear blue skies and oh, those wonderful colours of the trees in their autumn splendour. By the time you read this, the Thanksgiving weekend will have come and gone. It seems the colours waited to peak for this special holiday.

Our home has been decorated beautifully for Thanksgiving. From baskets displaying items of harvest throughout our home, to the lovely little centre-pieces on our tables in the two dining rooms. Our thanks to all who were involved in this. Our home looks lovely.

Guess it's about time to tell you of our latest happenings. First of all our Birthday Tea, last Thursday (September 28) was well attended. Our hosts were the Ladies of the Catholic Church in Kinmount. They served a lovely tea and it was a good opportunity to sit and visit with each other. Thank you ladies. We were pleased that Jack and Ruth were able to join us, and their lady friend was able to join with them once again. A good sing-song was enjoyed by all.

The following day was our big day: our official opening and open house. Many, many people visited our home. A few residents had agreed to open their rooms so those visitors were able to see our accommodations, both private and double. As usual, when special events such as this take place, there is always some last minute work that has to be done. It certainly was busy, busy, busy, adding the finishing touches in readiness for the big day. While people were touring our facility, Burrt Bonnell and Friends were here to provide us with some entertainment. Many thanks folks.

Our weekend was fairly quiet, but we still saw a few people popping in to say hello. Rev. Burgess was here for his regular visitation. A lot of us look forward to his chats with us. Our thanks to him.

A full bus left for Kash Landing on Monday for luncheon at the little restaurant, and what a lovely

lunch we had. They were so helpful and courteous towards us. We thoroughly enjoyed the trip especially as it gave us an opportunity to see the fall colours, and what a wonderful sight that was. Thanks to all involved who made this trip possible.

We welcomed Rev. Wicks to our Tuesday

morning Chapel Service. Quite a few of us joined in the service; others participated in Prayer Friends. That afternoon the craft group gathered for their weekly session. They are now working on items for Hallowe'en. Won't be long before the little tykes will be haunting us for treats. Last night, the Norland Hill-billies were here for our Pub Night. Great music and lots of laughs.

We are just about finished with our news. Today our Tea Party is scheduled to be hosted by the Ladies Auxiliary of the Minden Legion. We are looking to their visit. We have two ladies who will be celebrating birthdays before we talk with you again: they are Laura Upton who will celebrate October 11th and Thelda Deacon on October 15th. Birthday greetings to you both and hope you enjoy your special day.

We mentioned recently that Andrea and Tony Prentice are the proud parents of a baby boy, but we didn't have any other information at that time. Well we do now: his name is Devon Merrill and he weighed 8 pounds 9.5 ounces. Quite a boy, eh? We would also like to congratulate Tracy Parish, RN Tracy will be leaving us shortly for another position closer to her home. We will certainly miss her but wish her the best for the future.

Guess that's it. Now our thought for the week.
*Climb the mountains and get their glad tidings,
 Nature's peace will flow to you
 As the sunshine flows into the trees,
 The winds blow their own freshness into you,
 And the storms their energy,
 While cares drop away from you
 Like the leaves of autumn.*

Around the County Town

by Nora Snyder (call 286-4450; email <mindenhouse@on.aibn.com>)

The spectacular colour has arrived!! And all of a sudden too!! This year it was at its prime on the big Thanksgiving weekend. We should all soak up the beauty of the season.

Pierre Elliott Trudeau has left the world in this season. His love of the wilderness, an essential element of his character.

It has been a moving five days as we watched his family and this country mourn his passing. I have been feeling the loss of him, as so many others have expressed. He is not coming back. I found myself wanting to watch it all, or as much as I could, to hear what others were saying in their grief. I could add other people's stories about him to our memories. I couldn't get enough of the words. That need to talk must be part of the working through of grief. People talked about their memories of him on the political stage or of a more personal nature or of just a fleeting moment of meeting his glance when passing him on the street. I have a picture hanging on my stairway of him with me and my small children. It was taken during an election campaign in the seventies, but I still remember the energy of him standing beside me; the energy of a complex, exciting, unknowable (to me, at that time) man. We watched as new memories were made, such as the train trip from Ottawa to Montreal and the sons, Justin and Sasha leaning from the train, touching raised hands and accepting roses from those waiting to see the train as it passed by.

Now, in his death, we can know this life of a man with a vision of Canada and the world; a vision which he lived focused and to the fullest. The culmination of that life, as expressed in the moving eulogy by his eldest son Justin, brought the reality of his father's life to us all; the gift of the life of Pierre Elliott

Trudeau.

The Rotary Club of Minden has named its most deserving Citizen of the Year, in the person of Dianne Graham. Dianne is the director of the Agnes Jamieson Art Gallery, a director of the Chamber of Commerce and the Past President of the Home and Garden Tour. As a member of our community she loves living here and she works continuously to help make it an ever better place to live. I feel very privileged to call her my friend!! Congratulations, Dianne!!

Stan Hill has left me a note in my door to inform everyone that the ramp for the disabled is now completed at the Minden United Church. It is wonderful when more doors open up for more and more people!

Henry and Elizabeth Alritz celebrated their 50th wedding anniversary on September 24 with a service of celebration at the Apostolic Church in Lindsay and a gathering at the Gelert Community Centre. The actual date of this couple's anniversary was September 29. Congratulations and best wishes!

The Ladies Auxiliary at the Minden Legion is holding its sixth annual pre-Christmas Variety Craft Sale, to be held at the Legion on Sunday, October 29. Everyone is invited to come and 'get on' with their Christmas shopping. More vendors are also encouraged to set up there for the day. For more information of the day or to get space for your booth, please call Joan Meadows at 286-2442 or Rose Bennett at 454-2307.

A reminder of the Harvest Feast Buffet, Saturday,

October 14 from 4:30 to 7:00 p.m. at the Kinmount Legion Hall, sponsored by the Kinmount United Church Women. Adults are \$10; \$4 for children (10 years and under); pre-schoolers are free.

There is so much going on in our community. I have missed several of the biggest events: the All-Candidates Meeting, (I was celebrating my birthday with my family!!); and the opening of the Health Centre (I was in Guelph for my date with the K-W Symphony). So much change. So much moving on. And then to look out the window as I write, to see the leaves. The hill north of town in full colour, leaves on the ground, the grass still green, the rhythm of life, doing what it is meant to do. A time of Thanksgiving, thankful for the beauty and the bounty of the earth, thankful for the life of Pierre Elliott Trudeau, thankful for our lives.

Hoping you all had a magnificent Thanksgiving weekend!!!

IN MEMORIAM

JOHNSTON, Myles: In loving memory of a dear son and brother, who was taken from us October 11, 1968.

*Remembering our Myles is easy,
We do it every day.
Missing him is a heartache,
That never goes away.
Myles had a smile for everyone,
He had a heart of gold,
Our darling, you're so special,
What more is there to say,
Except to wish with all our heart,
That you were here today.
Dearly loved and sadly missed.
Mom, brother and sisters.*

CREGO, Joe: In loving memory of a dear husband, father and grandfather who passed away October 11, 1995.

*May the winds of love blow softly,
And whisper so you'll hear.
We will always miss you,
and wish that you were here.
Sadly missed by Dot and family.*

IN MEMORIAM

CREGO, Joseph: In loving memory of a dear Dad and Papa, who passed away October 11, 1995.

*As time unfolds another year,
Memories keep you near,
Silent thoughts of times together,
Hold memories that will last for ever.
Loving you always,
Ward, Liz, Mallory, Tyler & Kelsey.*

McAFEE, Gordon: In memory of Gordon W. McAfee, a loving father and grandfather, who passed away on October 12, 1990.

*Ten years have passed,
But memories stay.
Loved and remembered every day.
Sadly missed by wife Margaret and family.*

Thank You

THE HALIBURTON HIGHLANDS SECONDARY SCHOOL

The Scholarship Committee sincerely thanks the generous donors of Haliburton County who support the achievements of our students. Thank you for such a celebration of excellence in awards this year totaling nearly \$30,000.

Irv and I would like to thank the Scholarship Committee for their work in making the Awards Ceremony possible. A huge thank you to Wanda Mole, Brenda Robinson, June Smith and Tom Dibblee, among others.

Our special thanks goes to Ken Wilson who has managed our funds for the past twelve years and in whose name we now offer an award.
